1. How many roads must a man walk down before you call him a man

How many seas must the white dove sail before she sleeps in the sand

How many times must the cannonballs fly before they're forever banned?

R. The answer my friend is blowing in the wind
F G C
the answer is blowing in the wind.

2. How many years can a mountain exist before it's washed to the sea
How many years can some people exist before they're allowed to be free
How many times can a man turn his head and pretend that he just doesn't see?
3. How many times must a man look up before he can see the sky
How many ears must one man have before he can hear people cry
How many deaths will it take till he knows that too many people have died?
