C **F**
It must have been love, but its over now

C
1. Lay a whisper on my pillow

F **G**
Leave a winter on the ground

C **F**
I wake up lonely, there's air of silence

Dmi **G**
In the bedroom and all around

Ami **C** **F**
Touch me now, I close my eyes and dream away

G **C** **F**
Ref. It must have been love, but its over now

Dmi **Ami** **G**
It must have been good, but I lost it somehow

C **F**
It must have been love but its over now

Dmi **Ami** **G**
From the moment we touched till the time had run out

C
2. Make believing, we're together

F **G**
That I'm sheltered by your heart

C **F**
But in and outside I've turned to water

Dmi **G**
Like a tear drop in your palm

Ami **C** **F** **G**
And its a hard, winter's day, I dream away

G **C** **F**
Ref. It must have been love, but its over now

Dmi **Ami** **G**
It was all that I wanted, now I'm living without

C **F**
It must have been love but its over now

Gmi **C** **B** **G**
Its where the water flows, its where the wind blows

It must have been love, but its over now
It must have been good, but I lost it somehow
It must have been love, but its over now,
from the moment we touched till the time had run out.
