

# Private Emotion

Ricky Martin

**C Cmaj7 Asmi**  
1. Every endless night has a dawning day,  
**F C F**  
every darkest sky has a shining ray.

**C Cmaj7 Asmi**  
And it shines on you, baby can't you see,  
**F C F**  
you're the only one who can shine for me.

**Asmi Es F# C#**  
R. It's a private emotion that fills you tonight,  
**F C F F#**  
and the silence falls between us as the shadows steal the light.

**Asmi Es F# C#**  
And wherever you may find it, wherever it may lead,  
**F F# C Cmaj7 Asmi C Cmaj7**  
let your private emotion come to me, (come to me, come to me)  
**Bbmi**  
come to me.

2. When your soul is tired and your heart is weak,  
do you think of love as a one way street,  
well it runs both ways, open up your eyes,  
can't you see me here, how can you deny.

3. Every endless night has a dawning day,  
every darkest sky has a shining ray,  
it takes a lot to laugh as your tears go by,  
but you can find me here 'til your tears run dry.
